The Departed: Please pray for Les Rees, David Anderson, Malcolm Bladon, Martin Hill (priest), Ken Mutimer, Sheila Clarke and Luke Connor who have recently died, and for all who mourn them; also for Gordon Adams, Raymond Hodgkins, Terry Manning, Freda Shepherd, Margaret Hallam and Martin Kilner, whose anniversaries of death occur this week.

The Sunday service will continue to be broadcast live at 10.00 at facebook.com/stjohnshorninglow To join in the service, follow the link from the website (address opposite). The service will be available from 11.00 or soon after on YouTube – again follow the link from the website. You may need to advance a few minutes for the start.

Organ Voluntaries: We welcome a real live organist again today!

At 11.30 you may 'join' other church members using Zoom software on your computer, mobile, or other device – it's a sort of 'coffee after church' meeting. You will see and be able to speak to each other.

The Parochial Church Council will meet at 19.30 this Wednesday 21 July in Red Lion House.

Shaping for Mission: There will be a meeting in Red Lion House at 7.30 pm on Monday 26 July to consider a Vision for Mission in the Tutbury Deanery. Let Fr Michael know if you'd like to have a copy of the Vision document and/or come to the meeting.

New Church Members: There will be a baptism at the 10.00 Mass on Sunday 1 August, and another at 11.30 that day. It would be good to have some regular churchgoers at the 11.30 service – part of our welcoming and outreach. A theme of the Vision for Mission is that mission is an activity for every member of the church, not just the clergy and lay leaders.

A message from the Stewardship Committee: Despite Covid your generosity kept our finances ticking over in 2020. We have managed to pay the 2020 Parish Share and have started on this year's. There are no reserves to help. If you can make a donation (monthly?) towards this, no matter how small, that would be amazing – thank you! (Remember to Gift Aid any donation if you can.) We invite those who join us online to become involved if they're not already.

If you are unable to give financially as usual in church please **transfer money online**, and/or set up a **Standing Order**. Our bank's sort code and account number are on the website, address opposite and below. Contact Neville Fowler if you need envelopes collecting.

Notice from Staffordshire's Direction of Health and Social Care:

Community Testing:

The key message for residents in the county remains to get tested regularly, at least twice a week.

Local testing options include:

- People can order packs of rapid lateral flow home testing kits online or collect from selected pharmacies.
- Home testing kits are also available at national and community testing centres for collection.
- Walk-in supervised tests are available at our community testing centres and touring pop-ups.

For detailed information of the testing options available in Staffordshire, visit:

<https://www.staffordshire.gov.uk/testing>.

People are allowed to leave home to take a test.

Testing is available at Hillfield House on Hillfield Lane in Stretton, opposite S. Mary's Church, every day this week from 10.00 to 16.00, but check times on the web if possible. No booking is necessary.
